****Regarding I-40 Closure – The temporary closure is along I-40 well west of Asheville (near Tennessee border) and Travelers should be aware that they CAN get to Asheville and the Western NC mountains from all directions. North, South, and East are *NOT* impacted. And, travelers from the West have scenic detour options that actually are quite beautiful.**

- **25/70 Dixie Highway** route is a lovely, winding scenic mountain road that should only add roughly 30 minutes to the drive, and is not open to commercial vehicles.
- **Interstate 26** is one the nation's only interstate scenic byways and has observations points, overlooks and views of the highest peaks in the east. Adds 50 minutes to travel time.

This will NOT affect your visit to Asheville in anyway getting in and around. Please call us for any questions or concerns. 877-798-5888. We look forward to seeing you soon.
